

# Vintage Roof Tile

THE NUMBER ONE SOURCE FOR USED, SALVAGED AND RECYCLED  
CLAY & CONCRETE ROOF TILES FOR RENOVATIONS, REMODELING AND REPAIRS

Specializing in historical, hard-to-find clay and concrete roof tiles.

We take pride in helping to preserve the original vintage look of historical tile roofs. We believe tile roofs are art. Each tile roof makes a statement. A roof composed of vintage tile is unique in beauty and style.

With over 30 years of knowledge and experience in historical roof preservation and restoration, we can assure the vintage look of your new home, remodeling project, or historical preservation by supplying you with quality products and excellent service. Hard to find roof tiles are just an exciting challenge to us.

*Yes, we have it!* is more than a slogan because we usually can match any tile, in any color, and provide you with the perfect tile for your needs.

Below you'll find a listing of tiles currently in stock. Availabilities are always changing and we are constantly adding to our inventory of tiles. So, even if you don't see what you're looking for, check our web site or call. If it exists, we'll find it.
